- VL22 Black Lake Road, Black Lake, Nova Scotia,
Canada B0M1X0

Property Description

LOTS FOR SALE, with deeded lake access, Black Lake, Cumberland County! There are 11 lots for sale, with each having deeded access for the use of Black Lake Road to reach this lakeside, small community and deeded access to use the boat launch. Boating, fishing, or just relaxing in nature, this is a prime location for all of that! The lakeside community does not have services to it and the residents there have stated that they appreciate the peacefulness of this subdivision, most of all. One of the established lot owners hit a seam of gypsum, when drilling for their well, yet there are year round residents at this subdivision and homes on the Glenville Road with wells. Make your call today to see these lots, as the gate to Black Lake Road is kept locked and arrangements will be made for your appointment there.
